

February 22, 2022

MARCH 24-28, 2022 AUCTION SCHEDULE

Fur Harvesters Auction Inc. will be hosting its first auction of the 2022 season starting with our show dates March 20th through to the 23rd. All buyers from around the world are welcome to attend our inspection days. However, it is important to note that due to continued Covid-19 restrictions in some important fur buying countries this auction will be conducted ONLINE.

All of North America and Europe are free to travel to Canada without restrictions as long as they have their proof of vaccination. Buyers attending our inspection days are welcome to remain for the sale days if they wish and do their bidding in our facility.

To register for the auction, please contact Ruth Eaton, reaton@furharvesters.com. The auction schedule and bidding instructions will be provided in advance of the auction.
