IMPORTANT INFORMATION FOR FHA'S MAY 2023 AUCTION

Online pre-bids will be accepted prior to the May 26-28 auction. Online pre-bids can be placed in the same manner as in our previous online auctions, allowing a starting bid and a maximum bid if desired. Complete instructions will be provided to registered buyers. Those unable to attend in person and wishing to place pre-bids online have from May 23-25 to do so as the online platform will close at 6:00 PM EST on March 25, 2023.

All goods will be on show from May 23-25 with the live auction commencing May 26. During the live auction in the event of a tie bid with an online maximum bid, the hammer will fall to the buyer in the auction room. The final price of each lot will be determined in the auction room.
