IMPORTANT INFORMATION FOR FHA'S JUNE 2025 AUCTION

Online pre-bids will be accepted prior to the June 17-19 auction. Online pre-bids can be placed in the same manner as in our previous online auctions, allowing a starting bid and a maximum bid if desired. Complete instructions will be provided to registered buyers. Those unable to attend in person and wishing to place pre-bids online have from June 15 to 16 to do so as the online platform will close at 11:59 am EST on June 16, 2025.

All goods will be on show from June 13th with the live auction commencing June 17. During the live auction in the event of a tie bid with an online maximum bid, the hammer will fall to the buyer in the auction room. The final price of each lot will be determined in the auction room.
