NEW MANAGER AT FHA'S WINNIPEG DEPOT

We are pleased to introduce D'Arcy Lachance as the new Manager of the FHA Winnipeg Depot, effective immediately.

D'Arcy started working at Dominion Soudack in 1986. He was placed in the Coyote department and has graded coyotes ever since. From about 2000, he worked with NAFA as a ranch mink and coyote grader. In 2019, he was hired by Fur Harvesters to continue the coyote grading process at the Winnipeg facility.

Darcy is taking over this important role from Mary, and we are confident that his skills and leadership will be a tremendous asset to FHA's operations. D'Arcy brings a strong background and enthusiasm that will help us continue to improve service and efficiency at the depot.

Please join me in extending a warm welcome and full support to Darcy as he transitions into this new position.

Respectfully,

Mark Downey
