FHA's Wisconsin Operation

Fur Harvesters Auction inc is pleased to announce the hiring of Jeni Desinger as FHA Wisconsin Operations Manager. Jeni has a strong love of the outdoors and enjoys hunting, fishing and trapping with her husband. A special thanks to Eric Schroeder who has been a tremendous asset these past months making sure our Wisconsin warehouse remained open and operational. The old saying the "APPLE DOESN'T FALL FAR FROM THE TREE" is clearly true in this case as Eric has the work ethic and strong character of his dad Greg who was a legend in the fur business and who we all thought the world of. Eric will remain in a contract position working closely with Jeni to show her all aspects of the operation as she settles in.

We thank all our loyal shippers for their patience and understanding these past months as we dealt with the loss of Greg Schroeder and we are truly pleased to welcome Jeni Desinger to the FHA family.

Respectfully
Mark Downey
Chief Executive Officer
Fur Harvesters Auction Inc.
