Attention Western Canadian Trappers

FHA has been receiving strong interest for Western Coyotes from several markets. This gives us great confidence in the success of our upcoming April Auction. In an effort to help trappers maximize their shipments FHA is pleased to announce the extension of our Last Receiving Date to Saturday January 30th, 2021 for the following Western Canadian receiving depots and agents.

Previously announced pick-up schedules will go on as scheduled. For information on our pick-up schedules, they are listed in the trapper section of this website.
